HANDICAP TO SUPERSTITION

SEVEN-YEAR-OLD SON OF ALDINE DOING WELL ON KENTUCKY TRACKS.

Palanquin Again a Winner in Two-Year-Old Race—Sprite Arrives at Latonia to Start in Derby—Byrne to Ride The Manager.

Cincinnati, O., June 6.—Superstition scored his third straight victory in Kentucky when he won the handicap at a mile and a sixteenth which featured this afternoon's card at Latonia. His success was easily achieved, John Farlow taking second money and Milton B. just getting up for third place in advance of the race. Another large crowd was on hand and ideal conditions contributed to enjoyable sport. Favorites fared fairly well, three named choices being among the winners. The outsiders took three purses, with Palanquin, Superstition and Sprite. The last-named was confidently backed. The closing dash went to White Wool in the closest finish of the afternoon. His improved showing was foreshadowed by the backing he received. H. K. Knapp's Palanquin again demonstrated that he is now one of the most impressive victors in the second race. Today's speculation was surprisingly large, exceeding in volume that of any former week day.

H. K. Knapp's Sprite arrived from Douglas Park this morning in company with Coy and three two-year-olds owned by John E. Madden, that trainer Karrik is handling. Sprite shipped well and will be given a trial tomorrow prior to her Derby start. The stable connections feel sanguine of her success, but reports of old, bets with the Hallowbeck interests that she will score over Worth are untrue. Mr. Knapp is at present abroad and trainer Karrik has not been authorized to arrange for any side stakes.

Messrs. Thomas and F. R. Hitchcock arrived today from New York to witness the running of the Latonia Derby.

T. C. McDevell announced today a change in riders for The Manager in his Derby engagement. Byrne will have the mount instead of McCahay. The latter is still on the ailing list as a result of his fall from White Heather.

Judging by the amount of interest displayed in the Derby running and the elaborate preparations being made, the attendance next Saturday, if the weather prevails, will exceed any former gathering at Latonia.

Beginning next Monday, Jockey Loftus will ride exclusively for T. C. McDevell and George J. Long during his stay here. He will rejoin the stable of his contract employer, J. B. Respass, at the opening of the Hamilton meeting.

John Sample, who died recently, never rode Ten Broeck, as reported. He had the mount on Longfellow when that horse defeated Harry Bassett. William Walker rode Ten Broeck in his match against Molly McCarthy.

Starter Cassidy read the riot act to the riders after the first race and warned them that if they persisted in disobedience at the post he would inflict heavy fines.

F. J. Pons purchased today, from Barney Schuler, the three-year-old Con Curran and the two-year-old Billy Cain Chaser. The latter is by Otis—Challis.

F. P. Hayes will arrive from Douglas Park tomorrow with three yearlings that he has been resting since the closing of the Churchill Downs meeting.

Secretary Lyman H. Davis, of Churchill Downs, was among today's visitors here.

The mutual combinations brought small returns today to their backers. The two-horse pair paid \$14.20, and the three-horse combination went to the field, White Wool being neglected.

Labord came out of the last race in a bad way, and may not be a starter again at this meeting.

The best work-outs this morning were: Auto Run—Half mile in 54.

Antioch—Mile in 1:45.

Cliff Top—Mile in 1:48 1/2.

NOTES OF THE TURF.

C. T. Patterson, representing Robert Davies, is reported to have offered J. S. Tyree \$2,500 for a yearling colt by Hastings—Josie L.

Senator T. D. Sullivan of New York was among the Americans who saw Wednesday's running of the Epsom Derby. He is reported to have backed Sweeper H. liberally.

Secretary Frank W. Smith of the Coeur d'Alene Fair and Racing Association announces that there will be no fall meeting at the Alam track, in order to avoid conflict with the Salt Lake City meeting.

King George died the members of the Jockey Club at Buckingham Palace following the running of the Epsom Derby on Wednesday, and the Duchess of Devonshire revived the Derby ball at Devonshire House.

Toronto, Ont., June 6.—At a weeding-out sale of horses from the Waterloo establishment of J. E. Sengram, the following prices were realized:

Thistle Child, W. Hamilton, \$145; Madrigaletta, Mr. Tracy, Ottawa, \$155; Louisa, S. Whit, \$125; Court Belle, J. H. Larin, \$150; Hayrock, G. A. Wallace, \$305; Head Sen, W. Hamilton, \$140.

Other sales were as follows:

Brookdale Stable's Chief Kee, J. Charley, \$157.50; T. A. Woods' Shore Dream, H. Lehighy, Orangeville, \$150.

Chief Kee was purchased for use as a charger.

At a sale of thoroughbreds in the paddock at Dufferin Park Charles Snow bought Dr. Holzbach for \$160, and J. McBurney got Live Wire for \$310.

ANSWERS TO QUERIES.

Thos. M., Chicago. As you state the case it appears that the wager was made in time.

W. C. W., Newport, Ky. The larger the sums to be divided the greater the dividends in mutuels, and if the favorite should finish third it naturally follows that place dividends would be greater than in the case of its finishing first or second.

Jarvis, Toronto, Ont. One manifesting such lively interest in points of racing law should acquire knowledge of the rules governing racing. Go to the office of the Ontario Jockey Club in your city and procure a copy of the Canadian racing rules.

DAY OF DISAPPOINTMENTS AT MONTREAL.

Change of Track Conditions Leads to Upsets—Several Hot Favorites Are Beaten.

Montreal, Que., June 6.—The races at Bine Bonnets this afternoon were run under disagreeable conditions. Showers fell during the afternoon and the chances of a fast track day at the rest of the meeting are remote. The change in the going resulted in form being turned topsy turvey and the defeat of several heavily backed horses. The Welkin, winner of the steeplechase, was the only favorite that finished first during the afternoon. Among the beaten choices were Amberite, a 1 to 5 favorite in the opening race for Canadian-bred horses; Froglegs, a 3 to 5 shot in the third race, and Sherwood, an 11 to 20 favorite in the sixth. On paper each looked the next thing to a certainty. The layers did not profit greatly by their defeats, however, the winners finding strong support in some instances. Small fields were the rule.

The Jacques Cartier Stakes, one of the annual fixtures of the spring meetings at Blue Bonnets, was offered as an attraction, and it proved easy for Blackford. The latter's victory was a costly one for the ring. There was steady support for the Watkins horse and he was backed from a high price of 12 to 1 to 2 at post time. Blackford was permitted to assume a commanding lead in the first sixteenth and at no time during the remainder of the trip was he in danger. The stake carried a net value of \$1,400 to the winner.

The tabular history of the Jacques Cartier Stakes is as follows:

Year. Winner. A.Wt. Jockey. Val. Time.

1907 Nihilik 5 85 J. Murphy 1:07 1/2

1908 Goss Fast 3 84 Francis 1:07 1/2

1909 Centre Shot 4 106 Mentry 1:07 1/2

1910 Baines 3 103 G. Burns 1:07 1/2

1911 Spellbound 5 103 Gross 1:07 1/2

1912 Blackford 6 103 C. Turner 1:07 1/2

The second race displayed interest with the running of the stake. It was a dash of four and a half furlongs for two-year-olds and the presence of Farrier, a brother to Fair Play and Verdure, a half-sister to the sensational first-class stakes horse, interest to the running. Farrier brought a large delegation to the paddock and some of the sharps pronounced him the best looking youngster shown this season. Verdure also was closely inspected, and she, too, came for favorable comment. Both ran greenly and will undoubtedly show to better advantage with a little education at the barrier. Thomas Healey furnished the winner in this race in B. T. Wilson's Yankee colt Federal. The latter showed keen speed from the start, racing into a lead of six lengths in the early part. He was quitting in the homestretch, however, and had to be hard ridden to beat Baskin a length. Inlepp, one of the Whitney youngsters, was third.

William P. Braser, secretary of the Ontario Jockey Club, was among the visitors, as also was Henry J. Morris, a steward of the National Steeplechase and Hunt Association.

SIR CLEGES WINS IN THE WEST.

Spokane, Wash., June 6.—Under pleasant weather conditions the patrons of racing at Alam were treated to some good sport this afternoon. Sir Cleges won his first appearance here in the Sand Point Selling Handicap and beat his opposition without great effort. Jack Paine was badly interfered with when he looked to have a chance. Angelus, the favorite, was under restraint in the early stages and Cotton was of little assistance to him when it came to a drive.

Rosen was suspended for ten days for deliberately cutting over in front of his company in the opening race.

Capt. E. Turner Meade of Vancouver, who is the owner of quite a pretentious string of imported English horses that will soon be seen in action here, was a guest of Judge Leighton this afternoon. Jockey Taylor and Carter were suspended for three days by starter Dwyer for disobedience at the post.

Jockey J. McIntyre complained to the judges that Burlington, in the sixth race, tried to put him over the fence. The judges fined Burlington \$25 for rough riding.

The judges have refused the further entries of Layminster and Zoroaster, as they are of the opinion that the two horses are track sore and have had too much racing.

Jockey Charles Gross, who has been sharply criticized for inconsistent riding and has been suspended once during the present meeting, has been ordered to take no more mounts on unforlions and inconsistent horses during the present meeting by Presiding Judge Robert Leighton. Secretary F. W. Smith, in explaining this action, said: "We will thus give Gross no opportunity to lie on for any more inconsistent work. He has been guilty of inconsistent work. He will have mounts on horses that should run well and that should leave him no room for excuse for any rides that seem unsatisfactory from the stand."

STILL CONTROL FIVE RACE TRACKS.

The passing of Montgomery Park from the hands of C. A. Tilles and his associates to the city of Memphis marks the end of another race course. Montgomery Park will be converted into a city park and the Memphis Jockey Club will go through a process of dissolution. There is still a track at Memphis. Billings Park, the handsome trotting horse course erected by C. K. G. Billings, is still intact, and if racing ever comes back in Tennessee it is quite likely that this park will be used by the runners. Cumberland Park, at Nashville, is still in existence and could speedily be repaired if necessary.

Five tracks still remain in the hands of Captain Tilles and his associates. They are Latonia, Douglas Park at Louisville, Clinton Park, at Little Rock, Ark.; Oaklawn, at Hot Springs, and the Fair Grounds, at New Orleans. All the other tracks which at one time were under the control of these men have passed out of existence. Captain Tilles, who spent a few days at Latonia, is retiring from business and intends to devote the rest of his life to pleasure. He is just in the prime of life and made this statement: "I have a million dollars. I could not spend it all if I tried, and why should I trouble myself about business cares? I intend to travel, lounge about and enjoy myself for the rest of my days."—Cincinnati Enquirer.

MUTUELS INTRODUCED IN OKLAHOMA.

Oklahoma City, Okla., June 6.—A crowd of about 5,000 turned out for the opening day of racing here. The management was thoroughly satisfied with the first day's experience with the pari-mutuel system of betting and expect a daily improvement in the volume of speculation. Sam S. Hinkle is in charge of the machines and his previous experience was a big help to the association.

Transparent was forced to do his best to stall off the closing rush of Engraver in the stake feature of the day. Imprint was caught in a jam and forced to pull up shortly after the start, but for which she would have been a keen contender for first money.
